We also had a Matching Times Event. 1st Place, Janelle Rhoades with a .106 match time (\$40). 2nd Place, Gerry Limpach with a .108 match time (\$30). 3rd Place, Robert Armstrong with a .158 match time (\$20). Biggest Match was won by Dave Weaver, 2.005 (\$10). This was an extra pay event that besides cash awards gave you an additional 3 runs of practice.

Sharma and I hope that all participants and workers had a good time at the event. Our workers were made up of non-racers and racers. The non-racer contingent consisted of Ken & Emily Schaper, Don & Nancy McAlexander, Shirley Lamka, Keith & Judy Caupp, Karen Weaver, Juanita Reynolds, Tom and Doris Murph, Larry Marvin, Dean Brookshire, Teresa Peters, and Brian Campbell (great help on timing). Without this group it would be much more difficult to have an event. If I have left anybody off, I apologize.

Respectfully Submitted, Tom Witt
